Dear Authors:

[Suliestyah, Edy Jamal Tuheteru, Rinin Yulianti, Christin Palit, Caroline Claudia Yomaki, Shahrul Nizam Ahmad]

After correcting some typos and some other details, we are pleased to inform you that your revised manuscript entitled "**Production of activated carbon from coal with H₃PO₄ activation for adsorption of Fe(II) and Mn(II) in acid mine drainage**" can be ACCEPTED for publication in the Journal of Degraded and Mining Lands Management (JDMLM).

We are attaching the Galley Proof of your ready-to-publish article for proofreading. You can make corrections by marking yellow on the attached file (to enable us to track the changes) and sending the corrections back to us through this email address **before 25 January 2024**.

Your article will likely come in Vol. 11, No. 3 (1 April 2024). However, the article pages have not been set up yet; we await your confirmation.

With regards

Prof Eko Handayanto PhD
